EXHIBIT C – FORM OF MEMBERSHIP JOINDER AGREEMENT

MEMBERSHIP JOINDER AGREEMENT

This Membership Joinder Agreement (this “**Agreement**”) is being executed and delivered by the undersigned (the “**Prospective Company Member**”) and Phoenix DAO LLC, a Marshall Islands DAO limited liability company (the “**Company**”) as of the later date of the signatures below. Capitalized terms used but not defined herein shall have definitions that are ascribed to them in the Operating Agreement (as defined below).

By the execution of this Agreement, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Prospective Company Member hereby covenants and agrees as follows:

1. Agreement to Operating Agreement. Subject to approval by the Futarchic Mechanism, the Prospective Company Member is hereby adopting, joining, becoming a party to, and acknowledging and agreeing to the terms and conditions of, and becoming bound by the Operating Agreement of the Company (as it may be amended from time to time in accordance therewith, the “**Operating Agreement**”), as a ‘Member’ of the Company. Without limiting the generality of the foregoing, the Prospective Company Member hereby agrees to use all powers, privileges and rights the Prospective Company Member may have as a Member solely in accordance with this Agreement and the Operating Agreement. The Prospective Company Member hereby represents and warrants to the Company that the Prospective Company Member satisfies all of the Membership Criteria.

1. Compensation. The Prospective Company Member is agreeing to serve the Company on a volunteer basis and, unless otherwise agreed in a separate written agreement approved by the Company, will not be entitled to any monetary compensation from the Company.
2. No Partnership or Implied Entities/Duties/Agency. This Agreement, the Operating Agreement, and the matters contemplated hereby and thereby do not form, establish, or imply, and nothing contained herein or therein shall be deemed to form, establish or imply a joint venture, partnership, association, unincorporated association or other implied-at-law or implied-at-equity entity or arrangement between or involving the Company, any Member, the Prospective Company Member, any of the Prospective Company Member’s representatives, or any person, or to create or imply any fiduciary duty or other duty not expressly set forth in this Agreement or the Operating Agreement other than the covenant of good faith and fair dealing under applicable contract law. The Prospective Company Member and the Company may have other business relationships and fee arrangements with other persons, notwithstanding that such persons may conduct similar businesses or activities as or be competitive with the Company or the Prospective Company Member.
3. Notices. All notices shall be deemed sent when delivered in accordance with the contact details of the Company and the Undersigned set forth on the signature page hereto.
4. Successors and Assigns. The terms and conditions of this Agreement shall inure to the benefit of and be binding upon the Prospective Company Member, the Company, and their respective

successors and assigns. Nothing in this Agreement, express or implied, is intended to confer upon any person other than the Prospective Company Member and the Company and their respective successors and assigns any rights, remedies, obligations or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement.

5. Counterparts. This Agreement may be executed in any number of separate counterparts, each of which when executed and delivered shall be an original, but all of which together shall constitute one and the same instrument. A counterpart electronically signed via DocuSign or any similar method shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.
6. Amendment. Except as otherwise expressly provided in this Agreement, any term of this Agreement may be amended, supplemented, terminated or waived only with the written consent of the Company and the Prospective Company Member; *provided, however*, that any amendment hereto relating to a matter that would otherwise require an amendment to the Operating Agreement shall not be permitted without obtaining the same consents thereto and approvals therefor that would be required for such an amendment to the Operating Agreement.
7. Severability. Any term or provision of this Agreement that is found invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If a final judgment of a court of competent jurisdiction declares that any term or provision hereof is invalid or unenforceable, the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases, or to replace any invalid or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, such invalid or unenforceable term or provision shall be replaced with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.
8. Waiver; Delays or Omissions. No delay or omission to exercise any right, power or remedy by the Company or the Prospective Company Member, upon any breach or default by the other, shall impair any such right, power or remedy of such non-breaching or non-defaulting party, nor shall it be construed to be a waiver of any such breach or default, or an acquiescence therein, or of or in any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval of any kind or character on the part of the Company or the Prospective Company Member of any breach or default under this Agreement, or any waiver on the part of the Company or the Prospective Company Member of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement or by law or otherwise afforded shall be cumulative and not alternative.

9. Parties in Interest. None of the provisions of this Agreement are intended to provide any rights or remedies to any employee, creditor or other person other than the Company, the Prospective Company Member and their respective permitted successors and assigns (if any).
10. Entire Agreement. This Agreement constitutes the full and entire understanding and agreement between the Parties with respect to the subject matter hereof, and any other written or oral agreement relating to the subject matter hereof existing between the Parties are expressly voided.
11. Further Assurances. Each Prospective Company Member shall execute and cause to be delivered to Company such instruments and other documents, and shall take such other actions, as Company may reasonably request for the purpose of carrying out or evidencing any of the matters contemplated by this Agreement.
12. Rules of Construction.

 2. *Ambiguities*. The Parties hereto agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in the construction or interpretation of this Agreement.
